§9–20B–09.

(a) The Administration shall monitor and analyze the impact of each program, project, activity, and investment to ensure that the outcome of each program, project, activity, or investment achieves the purposes of the Program.

(b) In monitoring and analyzing the impact of a program, project, activity, or investment under subsection (a) of this section, if the Administration finds that the outcome of the program, project, activity, or investment is not achieving the purposes of the Program, the Administration shall take specific measures to address the findings.
